SOURCE ☐

The former Delitzsch (N 52/E 13) airfield was no longer identifiable as such, as a tree-nursery had been established in the field area surrounded by a wire fence. Two cantonment buildings east of the field were occupied by the SED (Socialist Unity Party) county school. The concrete approach road was in good condition. It was impossible that the field was serviceable.

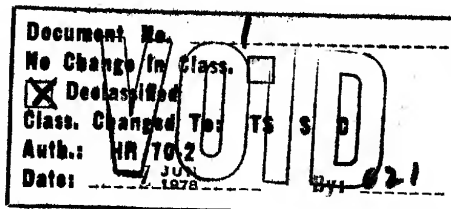

25X1A

☐ Comment:

This information was confirmed by other sources. There were no indications of intended reconditioning work at the field.

This document is hereby regraded to **CONFIDENTIAL** in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
